ANTIOCH, ILLINOIS, THURSDAY, JULY 16, 1970

VOL. LXXXV. NUMBER 4

Annual Lake County Fair And 4-H Show July 29

Gus Costoff and Al Dittman, chairman and co-chairman of the ticket sales and publicity committee, review contemplated announcements for the Antioch Lions Club Annual Farmer's Picnic Chicken Bar-B-Q scheduled for Sunday, August 2, from 11 a.m. to 6 p.m.

Lake County's Annual Fair and 4-H Club Show will start Wednesday morning, July 29 and continue through Sunday evening, August 2.

The show will be held on the Lake County Fair Grounds, routes 45 and 120, Grayslake.

The Lake County Exposition is now recognized as one of the top shows in Illinois.

More than 50 acres are available for the 4-H and open class exhibits, the industrial and commercial exhibits, the large midway, and for parking.

From one end of the vast expanse of grounds to the other, there will be exhibits and attractions for all.

The midway with its many rides and booths will provide a sparkling carnival atmosphere. Those who delight in seeing the best in purebred livestock will find it all at the Lake County Fair and 4-H Club Show.

Exhibitors from Illinois and neighboring states will exhibit their best blue ribbon poultry, sheep, swine, dairy and beef cattle, rabbits, goats, pigeons, flowers and vegetables and other products.

There will be plenty of action during the five days and nights of the Lake County Fair and 4-H Show, including horse and pony shows, rodeos, livestock parades, queen contests, tractor and horse pulling contests.

Admission to the Fair is \$1.00 with children 12 and under admitted free.

Woody Herman's band was the entertainment last Sunday at the Antioch Country Club, the second in a long list of big band names that will appear at the club throughout the season. And pretty girls surrounded both Woody and Country Club Host John Teresi. They include, from left, Sandy Krueger, Vikki Carroll, John, Woody, Mary Lou Smith, Barbara Queen and Betty Waite. McClory Sponsors Bill On Congress War Power

Congressman Robert McClory (R-12th Dist.) has joined with ten other Members of the U. S. House of Representatives, including Illinois Representative Paul Findley (R-20th Dist.) in introducing legislation to establish a more precise role for the Congress in any decision to use the

military forces of the United States. The House Bill (H.R. 18205) corresponds to that introduced in the Senate by Senators Javits of New York and Dole of Kansas.

The measure is intended to clarify the vaguely-defined relationship between the President and Congress where U. S. military forces are committed. The bill specifies the circumstances in which the President, as commander-in-chief, may use United States Armed Forces in the absence of a Congressional declaration of war, and fixes a 30-day time limit on any such use without affirmative action by both Houses of Congress.

Congressman McClory noted that hearings on this legislation and similar proposals have begun in the House Foreign Affairs Committee, and expressed the hope that the Committee would favorably report his measure.

Congressman McClory stated: "While the Constitution clearly gives the Congress a major role in our Nation's decision to declare war, it does not specify what the role of Congress should be in those situations in which military hostilities of necessity require initiation without a declaration of war."

The legislation allows for the ordering by the President of immediate military action: (1) to repulse a sudden attack against the United States or (2) against the Armed Forces of the United States on the sea or when lawfully stationed on foreign territory; (3) to protect the lives and property of United States citizens abroad; and (4) to comply with treaties and other national commitments.

Representative McClory pointed out, however, that the bill requires a prompt report to the Congress of the initiation of any hostilities and requires affirmative action by both Houses of Congress within 30 days to authorize continuation of such action.

Congressman McClory declared further: "While the procedure established by this bill would apply only to future conflicts and not to that now existing in Vietnam, enactment of the legislation would provide the basis for a more appropriate delineation of the respective Constitutional roles of the President and the Congress with regard to the war power."

"Our experience in Southeast Asia, and the difficulty Congress has encountered in attempting to establish its own proper role in the resolution of the Vietnam War, give urgency to the thorough examination of the various proposals now under way in the

(Continued on page two)

Lions Club Picnic Progressing

The Annual Antioch Lions Club Farmer's Picnic Chicken Bar-B-Q, scheduled for Sunday, August 2, is shaping up as a gala affair at the Antioch Aqua Center.

The affair will be held from 11 a.m. to 6 p.m., announced Arthur

Wegner, general chairman. Planning and organization for the huge community affair are the following committee chairman: Gus Costoff, Ticket Sales and Publicity; Ronald Anderson and Dr. Edward Aberholden

serving and cooking crews; Leonard Roblin, setting up and starting fires; David Bushing, Beverages; Dick Endries, tables set up; James Olsen, cooking corn; Herman Behm, auction; Milo

Republican Women To Fete Vets

The Women's Auxiliary of the Antioch Republican Club will hold their fifth annual picnic for wounded veterans of Vietnam beginning at 1 p.m. Wednesday, July 29, at the Arbor Resort.

The boys, all confined to the Great Lakes Naval Hospital at the Great Lakes Naval Base will be brought to the resort by bus.

(Continued on page three)

4-Hers Win At State

Lake County Dairy, Livestock, Horse and Pony, Horticulture, and Poultry teams competed in the State 4-H Judging Contest held in Urbana on Tuesday, June 30.

The Dairy Judging team earned an "A" rating at the State Contest with all 4 of the team members being with the Happy Haycocks 4-H Club. Roger, David, and Earl Shanks received "A" ratings and Tony Tulus received a "B" rating.

The Horse and Pony Judging team consisted of Barbara Clark and Bill Severson, War-Avon Racals; Pat Ogden, Chain O' Lakes; and Gale Walker, Willows. The highest scoring individual was Bill Severson, who received an "A" rating and a blue ribbon. Patty Ogden received a "B" rating, and a red ribbon. Barbara Clark and Gale Walker both earned "C" ratings. The team received a "B" rating.

The Livestock Judging team received a "C" rating. The high scoring individual was John White of the Millburn Hornets 4-H Club with an "A" rating and a blue ribbon. Other members of the team included Steve Hecht and David Krueger of the Volo Ag 4-H Club and Don Wells of the Millburn Hornets.

The Poultry Judging team earned a "B" rating with Steve Nylen, Barrington Cloverleafs, receiving an "A" rating and a blue ribbon.

(Continued on page three)

Homestead Law Is Amended

The Homestead Exemption law which heretofore has been in effect has been amended by new legislation to provide: real property must be occupied as a residence by a person who is 65 years of age or older on January 1, 1970, who is liable for paying real estate taxes on the property and who, by a written instrument can establish ownership or legal ownership or equitable interest as of January 1, 1970, in said property which is the subject of the Homestead Exemption.

An owner of record of the real property as a joint-tenant or tenant in common with any person or persons, is now eligible for exemption.

Purchaser under a contract for deed will qualify. Owner of a life estate or life interest in the property is now eligible.

Real property consisting of land improved with a cooperative apartment building could also be subject to an exemption limited to a \$1500 maximum reduction from the value of such real property. One of the owners of a cooperative apartment building who is 65 years of age or over, who occupies the cooperative apartment building as a residence, who is liable with the other owners for paying real estate taxes would be qualified to file for the \$1500 maximum reduction from the equalized value of the real property consisting of the land and the cooperative apartment building.

Owner of beneficial interest in a revocable or non-revocable land trust does qualify.

The new law specifically provides: (Continued on page two)

Boy, 3½, Two From County To In Lake 4-H Camp

Timothy Christensen, 3½, drowned Sunday in Cross Lake.

The youngster is the son of Mr. and Mrs. James Christensen of Chicago.

According to authorities the Christensens were visiting relatives at 102 Timber Lane and other youngsters had gone for a swim before dinner.

Timothy failed to return and a search, disclosed his body in shallow water near the shore.

Two 4-H Club members from Lake County will attend the 1970 4-H Conservation Camp, August 3-7, at the 4-H Memorial Camp near Monticello. The two members are: Herb W. Haney, 14, son of Mr. and Mrs. Laurel Haney of Barrington, and a 3-year member of the Barrington's Flynn Valley 4-H Club and a 1-year member of the Fox River Valley 4-H Club; and Dennis Obenau, 16, son of

Registration Notice

Attention: Students planning to attend Antioch Community High School beginning in September and who have not yet registered are urged to do so as soon as possible.

Call 395-1421 and ask for Mrs. Wickman for appointment. Delays will restrict your choice of classes. This applies principally to new residents, but should be noted by returning students who were out of school last semester.

Mrs. Trudy Mann was awarded the teller of the month cup for the month of June at the First National Bank of Antioch. The engraved cup was presented by L. M. Woods, president of the bank. Mrs. Mann was cited for her courtesy to customers and co-workers and efficiency in balancing. She has been with the bank for the past 7½ years and was presented with tickets for dinner for she and her husband, Robert.

Antioch Man Has Bats

Bats are in the Antioch area.

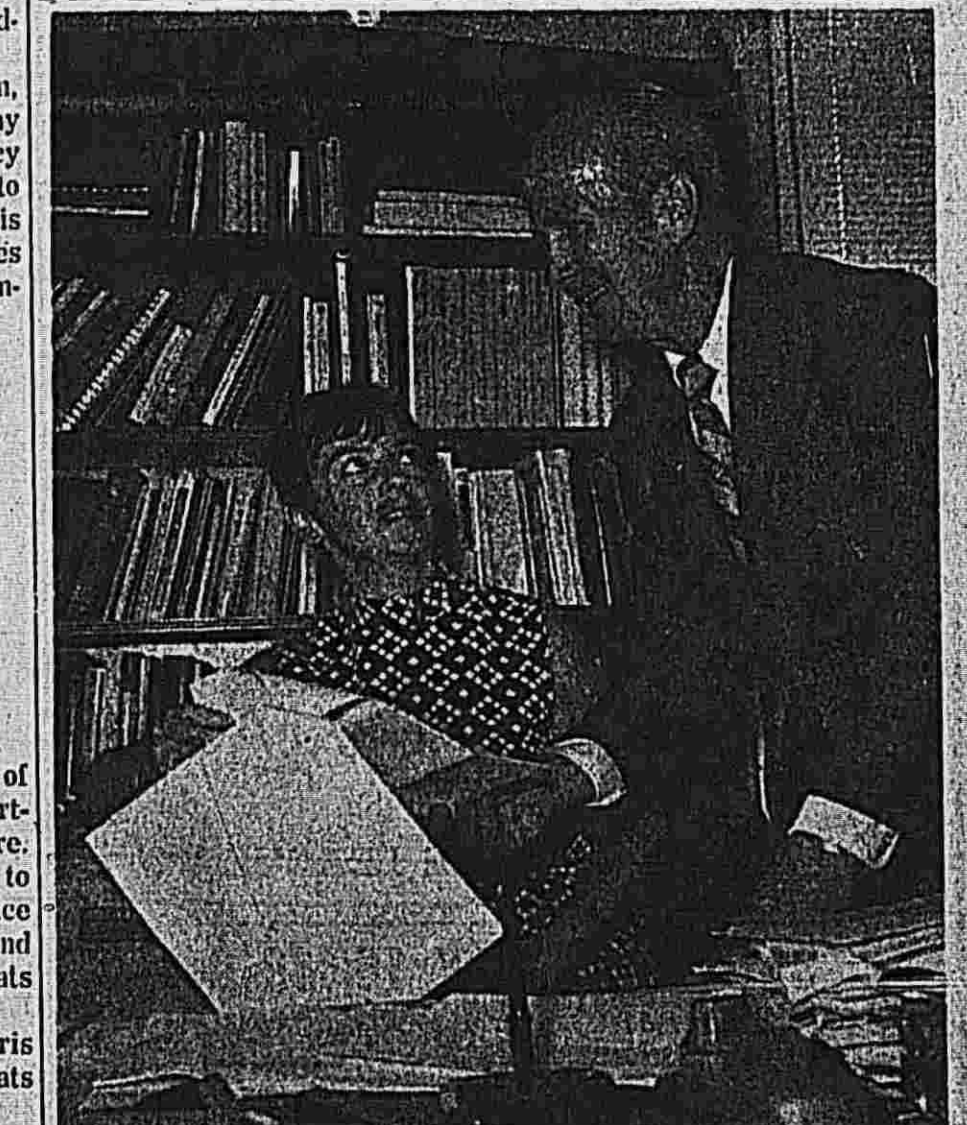

At least that is the report of Tom Norris who has an apartment above the Antioch Theatre.

The incident was reported to the Lake County sheriff's office shortly after 10 p.m. Sunday and was logged as a complaint of bats in the belly.

When deputies arrived Norris showed them a number of bats outside of his apartment.

Norris was advised to call the Lake County Health Department.

The investigation and further work on the matter was turned over to the Antioch Police Department.

Rep. Robert McClory, Antioch News columnist, has appointed Mrs. Barbara Harrison Ludden, 37, as his new administrative assistant in Washington. Mrs. Eulalia Corbin, formerly the administrative assistant has returned to Waukegan as district office administrator.

Driver Is Culprit

Fund-raising organizations across the nation cheer wildly when they achieve their goal or set a new record.

We have set a new record on America's highways—not the kind to cheer about—but the kind that should call for a great public reaction.

More than 56,500 persons were killed in highway accidents in 1969—the highest number in our history.

And, more than 4,700,000 men, women and children were injured last year.

That's a lot of pain and suffering—but it doesn't seem to stop the slaughter. We react with apathy.

56,500 killed, 4,700,000 injured. These numbers may be over your head.

If they don't hit where you live—and drive—you might try to recall whether an acquaintance, a friend or a relative was in a traffic accident in 1969. He didn't get a scratch? He was lucky.

Nearly 5 million men, women and children were not that lucky.

In the Travelers annual booklet of highway accident data, a comparison of specific types of accidents in 1969 with those during 1968 reveals a 15 per cent increase in single-car accidents.

Once again the accelerator was the big gun.

Whether it was a muscle car with the enticing name of a beast of prey or a 10-year-old clunker, there was a human foot on every pedal.

It seems clear that drivers continue to be the ultimate culprits.

Take A Good Look

Illinois Attorney General William J. Scott has ordered a full-scale statewide investigation into price fixing and other restraints of trade in the automobile repair industry.

We feel that the investigation is warranted and should extend into other service business also.

It is quite frustrating not to know anything about an automobile and then find out that the job could have been secured at a better price if you knew what to buy.

For the last six months Scott's antitrust division has been quietly looking into the price fixing practices of various auto repair associations throughout northern Illinois.

As an indication that there might be fire where the smoke occurs three associations fought the attorney general's right to subpoena books and records but a Winnebago circuit court judge upheld the 1969 antitrust law provision.

The thrust of the probe is to determine whether various auto repair shop operators are involved in collusion or secret agreements to control the prices of auto repairs.

We sincerely hope they are not.

But, if they are, they should be brought into the public spotlight for all to see.

We wish Scott well with his current investigation. It should prove interesting.

Mr. and Mrs. Robert J. Obenaus, of Mundelein, and a 4-year member of the Happy Hayseeds 4-H Club.

This annual event, according to Fred L. Haegle, Director of State 4-H Conservation Camp, provides a fine opportunity for boys to learn about the outdoors, camping, and sharing of ideas with other boys from urban, as well as rural backgrounds.

Delegates to the camp will attend classes during the morning and evening. The classes will cover land judging, contouring and staking, game management, area land use, conservation, fishing, and many related areas.

Haegle states that during the afternoon, the delegates may participate in swimming, supervised rifle and shotgun shooting, compass reading, canoeing, archery and many crafts. In addition, this year's delegates will have the opportunity to participate in an overnight outing away from the camp grounds.

COLORADO TRAVELERS

The Bill Carney and Bill Georson families just returned from a vacation there and I wonder if Mary will ever want to travel through the mountains for another trip.

Also returning recently from Colorado were the Jim Maples and son, Phil, where they visited Jim's mother and sister. While in Denver, Phil visited with former school chum Glenn Magiera who is stationed at Lowery Field.

HAPPY BIRTHDAY SURPRISE
Ed Fridrich of Beach Grove Road enjoyed his 50th birthday with a celebration at Lorenz's for over 100 guests. The affair was complete with cocktails, corsages, boutonnieres, dinner and band. He received many presents including a Jim Beam Vegas Collectors Item. Ed and his brother have returned to this area and are well known here for their business they operated at Drexel Blvd., Indian Point.

Seniors From Carmel Win Scholarships

Full academic scholarship to Harvard, Yale, Princeton, and Brown Universities were among the achievements of 1970 graduates at Carmel for Boys in Mundelein. Of 170 seniors, 89 per cent will be attending colleges and universities next year. About 8 per cent will engage in full time work, about 3 per cent will be in the military, leaving only a few undecided about next year's activities.

Scholarships have been received by more than one-third of the class. There were 33 Illinois State Scholars. Twelve seniors will attend the University of Illinois, and 8 of these will be on scholarships. Mark Sheriff of Round Lake and Peter Unewitz of Waukegan won coveted James Scholarships at Illinois.

Six Evans Scholarships were won by seniors in Lake County this year. Three of these six were Carmel seniors: John Bobel of Waukegan, and Michael Menoni and Paul Mocogni of Highland.

Frank Spellman of Mundelein had the highest academic average for four years and won a National Merit Scholarship, as well as scholarships to Kenyon College, Brown University and Yale.

Ronald Bitto of Wildwood had the second highest average, and won his choice of scholarships to Harvard University, Brown University, and Princeton. Ronald will attend Harvard.

Among other scholarship winners were Clarence Heitzreiter of Round Lake Beach, an Abbott Foundation Scholarship; Dennis Helmer of Great Lakes, the Naval ROTC Scholarship to the University of Southern California from the Officers Wives Club of Great Lakes; Edward Koper of North Chicago, the Fansteel Foundation Scholarship; John Kreuser of Mundelein, a Lake County Teachers Scholarship; Gary Krol of Lake Forest, a full 4-year scholarship to Butler University; Michael McKinley of Mundelein, a Monmouth scholarship; Robert Newling of Mundelein, the Pulman Foundation Scholarship; David Schlagheck of Grayslake, a Saint Louis University Achievement Scholarship.

ANOTHER YEAR

Heard from John Teresi that he is in business in Antioch eight years now and thinks Antioch is the greatest. Wait for the twenty-fifth year John!

GET WELL WISHES

To Eddie Brhel who is at Victory Memorial Hospital.

BRIDAL SHOWER

Miss Mari Margaret Fischer of Petite Lake Road, Lake Villa, was guest of honor at a surprise bridal shower Wednesday, July 8, at 8:00 in the evening. The hostess was Mrs. Marge Burda of Lake Villa. Miss Fischer is engaged to Jim Lonsen. She received many lovely gifts.

ACTIVITIES GALORE

Thursday will be the Lakeside Rebekah Card Party at 12:30 p.m. at the Legion Hall.

PM&L production "Apple Tree" continues Friday and Saturday at the high school.

Lions Club Pool Party plans are in high gear with the party coming up this Saturday.

The annual rummage sale at St. Peter's is this Thursday and Friday.

Saturday morning why not have a treat for breakfast and enjoy it at the Little League Pancake Breakfast at the Methodist Church Hall.

Russ Morgan with his "Music in the Morgan Manner" will be on tap at the Country Club and coming up August 3 will be the Glenn Miller Orchestra. Just like "old times" with this kind of music.

PLAY BALL!

Sunday — Antioch Little Leaguers will have the fathers pitted against the managers and coaches. Who will seek revenge?

MAXWELL STREET DAYS

The expression "Don't take any wooden nickels" will not hold true for the Chamber's upcoming sale days.

Looking around,
ANNIE MAE

HEAT STROKE

Flushed or hot skin, rapid pulse and unconsciousness are heat stroke symptoms. First aid treatment involves cooling the body by sponging with cold water, and if the victim is conscious, administering salt water.

Your Congressman Reports...

By Cong. Robert McClory

Pollution of the environment appears rarely to include pollution from solid wastes. This myriad stockpile of junked automobiles, cans, bottles, and debris of all kinds is polluting the land and water. Also, smoking incinerators and smoldering garbage dumps are continuing to pollute the air. It is estimated that about 98 pounds per day of solid wastes are generated for every man, woman, and child in the nation. Most of this refuse finds permanent lodgment on the land. During the past 30 years, more than 7,000 square miles of land (an area 6 times the state of Rhode Island) has been utilized for solid waste disposal.

The costs of collection and disposal of solid wastes are themselves bewildering to most municipal governments. For instance, it is estimated that it costs as much as 30 cents to pick up a bottle that was originally produced for 4 cents. In New York City, it costs more to dispose of the Sunday Times than to buy it. Of the estimated \$4.5 billion per year which is expended for solid waste collection and disposal, an estimated 80 per cent goes for collection and 20 per cent for disposal.

Notwithstanding this huge volume and large expense, most solid wastes end up in open dumps. Only a small percentage of solid wastes is buried in land-fill operations. Smaller percentages are burned in incinerators and dumped at sea.

In endeavoring to meet the threat of solid waste pollution, the House of Representatives recently passed amendments to the Solid Waste Disposal Act author-

izing expenditures which will exceed \$250 million per year in 1972. Under the Act, the Department of Health, Education, and Welfare is directed to: 1) develop new technologies for solid waste disposal; 2) promote increased State responsibility in solid waste disposal programs; and 3) conduct studies to determine economical means for recovering useful materials from solid wastes and for reducing solid waste potentials by developing new packaging techniques and practices. Federal Grants are limited to demonstration projects and experimental programs applying new methods or techniques.

Under the new law, States will be required to adopt standards for solid waste disposal methods and systems. At the very least, this requirement should eliminate sources of water and air pollution which now result from most waste disposal operations.

On long trips, take games and puzzles to keep children amused, and away from the driver. If your trip is marred by mechanical trouble on the highway, get off the road immediately, raise the hood and wait for help to arrive.

ribbon as the high scoring individual from Lake County. Other team members were: Mark Nylen, Barrington, Cloverleafs and Susan Pearson, Working Juniors. Allison Hevrdejs, Sequoit Suzies was the top scorer from Lake County in Horticulture, receiving an "A" rating and a blue ribbon. Sue Ehrhart, Fireside Flickers; and Susan Hevrdejs and Nancy Springer, Sequoit Suzies all received "C" ratings. The team rating also was a "C".

State 4-H specialist, George Daigh, reported that nearly 800 4-Hers from 90 counties took part in this year's contest.

County teams and individuals were ranked in 3 groups. A team ribbon was given to counties with class "A" and "B" judging.

Ribbons were awarded to individuals placing in classes "A" and "B". Medals will be awarded to members taking part in the National contest later this year.

Teams made up of three individuals and one alternate will represent Illinois in the National contests. The four team members in each contest are selected from the "A" group in the state contest by means of invitational contests held later in the year.

In National competition, members on the state dairy team will compete at the National 4-H Dairy Judging Contest in Columbus, Ohio, and the International Dairy Show in Madison, Wis. The Illinois 4-H livestock team will compete at the International Livestock Exposition in Chicago and the American Royal Livestock Show in Kansas City. State Poultry judging team members will take part in an invitational contest in Chicago and vegetable team members will judge in a national invitational contest in Denver, Colorado.

Call 395-4111 to place a Society or News Item.

Con-Con Committee Suggests House Cut

The Constitutional Convention's Legislative Committee has submitted to the full Convention its recommended changes in the Legislative Article, calling for a reduction in the size of the Illinois General Assembly by 31 seats.

The committee recommends that the House of Representatives be composed of 153 members, three from each of 51 proposed districts, and 51 senators, one of each of the 51 districts. The legislature currently has 59 districts, with three Representatives from each district and one Senator from each district. The current legislature is composed of 177 House members and 58 Senators.

The majority proposal also calls for the elimination of cumulative voting—but only in the primary. Such voting enables a person at the polls to cast three votes for one person, or one vote for three persons. The committee recommends keeping cumulative voting in the general election, but eliminating it in the primary.

The committee also recommends annual legislative sessions and broadens the power of calling special sessions to the leadership of the General Assembly. Thus the power of calling a special session, now vested only in the Governor, would be extended to the Speaker of the House and the Senate President and/or President Pro Tem.

The majority report also would require, if adopted without substantial amendment, "and with the exceptions to be made by the General Assembly, that laws

passed at each session have a uniform effective date and that laws be published at least 30 days before they become effective."

The committee report would require that to forego the 30-day period a three-fifths majority vote of both houses would be required.

The committee also recommended that the Lieutenant Governor no longer be the President of the Senate, or presiding officer. They propose that the Lieutenant Governor preside only for the opening day of each regular legislative session until a member is elected as presiding officer from among the members.

The 11-member committee, which split 5-5-1 on reapportionment, will thus submit two majority reapportionment reports.

One report, called the "majority report," would require that districts be "compact, contiguous, substantially equal in population and, where possible, municipal and county boundaries shall be used as district boundaries."

The other so-called "minority report" alleges that the majority report is "a fictional division based on capricious provincialism."

The majority report calls for two methods of obtaining redistricting. The first calls for a single legislative enactment in 1971 and every 10 years thereafter. The second alternative calls for an apportionment committee to be established on or before July 1st following each 10 year federal census. The commission shall consist of 12 members. Other major changes include:

—reduces residency requirements for general assembly from 5 to 2 years.

—calls for appointment of general assembly vacancies rather than election.

—provides that a member "shall" abstain himself from a vote on a measure in which he has a conflict of interest, but provides that his abstention does not count as a "no" vote.

—eliminates the automatic "no" vote problem by virtue of death or resignation.

Mary Barr Admitted To Carthage College

Mary Ellen Barr, the daughter of Mr. and Mrs. William M. Barr of Rural Route, Lake Catherine, at Antioch, has been admitted to the 1970-71 freshman class at Carthage College in Kenosha. Mary graduated from Convent of the Sacred Heart in June.

Coin Club Meets On Mondays

The Antioch Coin Club meets at 7:30 p.m. in the Antioch Savings and Loan Association basement the third Monday of each month with the next meeting scheduled for July 20.

Any person interested in coin collecting is invited to attend the sessions. Many exhibits are on display. Membership is open to everyone in the area.

Mr. and Mrs. Miller

Janice Trecek Wed In Candlelight Rites

Chantilly lace and candlelight was the setting of Miss Janice Trecek, daughter of Mr. and Mrs. Frank Trecek, Bristol, and Mr. Donald Miller, son of Mr. and Mrs. Louis Miller of Salem, Wis., who were married July 11 at the Salem Methodist Church. The Rev. Ray Kotwicki officiated.

Miss Sandra Domak of Antioch was maid of honor with David Hansen of Salem as best man. Other attendants were Karen Trecek, sister of the bride, and Evelyn Leach of Burlington, Wis.

Groomsmen were Wayne Domke of Antioch and Mike Simmers of Salem.

WILL VISIT PARENTS HERE
Mr. and Mrs. Kenneth Anderson and family of Baltimore, Md., will be arriving on Friday to spend ten days visiting his parents, Mr. and Mrs. Elroy Anderson of Antioch.

Lindenhurst News

By Mrs. Bernice Berman
356-5649

SECOND CHILD

Mr. and Mrs. Miles (Lynda) Yanca, 302 S. Thornwood Drive welcomed their second son at Lake Forest Hospital on July 8.

The proud grandparents are Mr. and Mrs. Ted (Helen) Myslinski, Lindenhurst, and Mr. Charles Yanca of Antioch.

The Myslinskis celebrated their 22nd wedding anniversary July 3, at the Play Boy Club at Lake Geneva.

EUROPEAN VACATION
Mr. and Mrs. Thor (Helen) Neumann, returned home last Monday from a six week vacation in Denmark. They visited with Thor's three brothers and two sisters and Zenia's only sister, and all of their families. Before they left they had a family reunion which was attended by all, including a brother-in-law who will be 95 in October.

While they were gone, their granddaughter, Mrs. Larry (Priscilla) Dimmig of Pennsylvania, had a nine pound 4 ounce baby boy. This is the Neumanns' first great-grandchild.

BIRTHDAYS
A happy birthday is wished to Tad DeRousse, Dan Huntington, Ace Minne, Dawn Finley, Linda Skaggs, Peter Woolert, Jimmy Mauck, Paul Sauer, twins Rhonda and Rose Lynn Rozhon, Annette Baker, Vanessa Lynch, Verona Tuttle, Michelle Golden and Gene Bateman.

ANNIVERSARIES
Our best wishes to Clarence Hazned on their 17th wedding anniversary July 18; also to the Warren Browns on their 34th anniversary July 16th.

GRANDCHILD
Mr. and Mrs. George Zaneck, Lindenhurst, are the proud grandparents of a little girl born to their George and wife Bonnie.

Mr. and Mrs. William (Emogene) Brassfield, Lindenhurst, are the proud grandparents of a little boy, born to their son and daughter-in-law, Jerry and Barbara Brassfield. He is the first child for the young couple and the first grandchild for the Brassfields.

COMPANY
Ed and I were pleasantly surprised last Tuesday evening when my cousin, Mrs. Dorothy Perschke and her husband, Chester, of St. Petersburg, Fla., dropped in unexpectedly.

GET WELL WISHES
To Bob Moore who is at St. Theresa Hospital in Waukegan.

FESTIVAL MEETING
The Festival committee of Prince of Peace Church will meet Sunday, July 26, at 1:00 p.m.

ALTAR AND ROSARY
A really big thanks was expressed to the ladies who worked so diligently at the rummage sale the week before, that was termed a success.

Mrs. Terry Hamlin and Mrs. Vernetta King volunteered to reorganize the church library at the rear of the church.

Mesdames Bridie Gibbons, Mrs. Cecile Mann and Mrs. Dorothy Kohler volunteered to organize the kitchen so that it would be in order for the Summer Festival August 21, 22 and 23. Members of the Sodality will have charge of serving the chicken dinner on Sunday. Mrs. Mary Loblillo is chairlady.

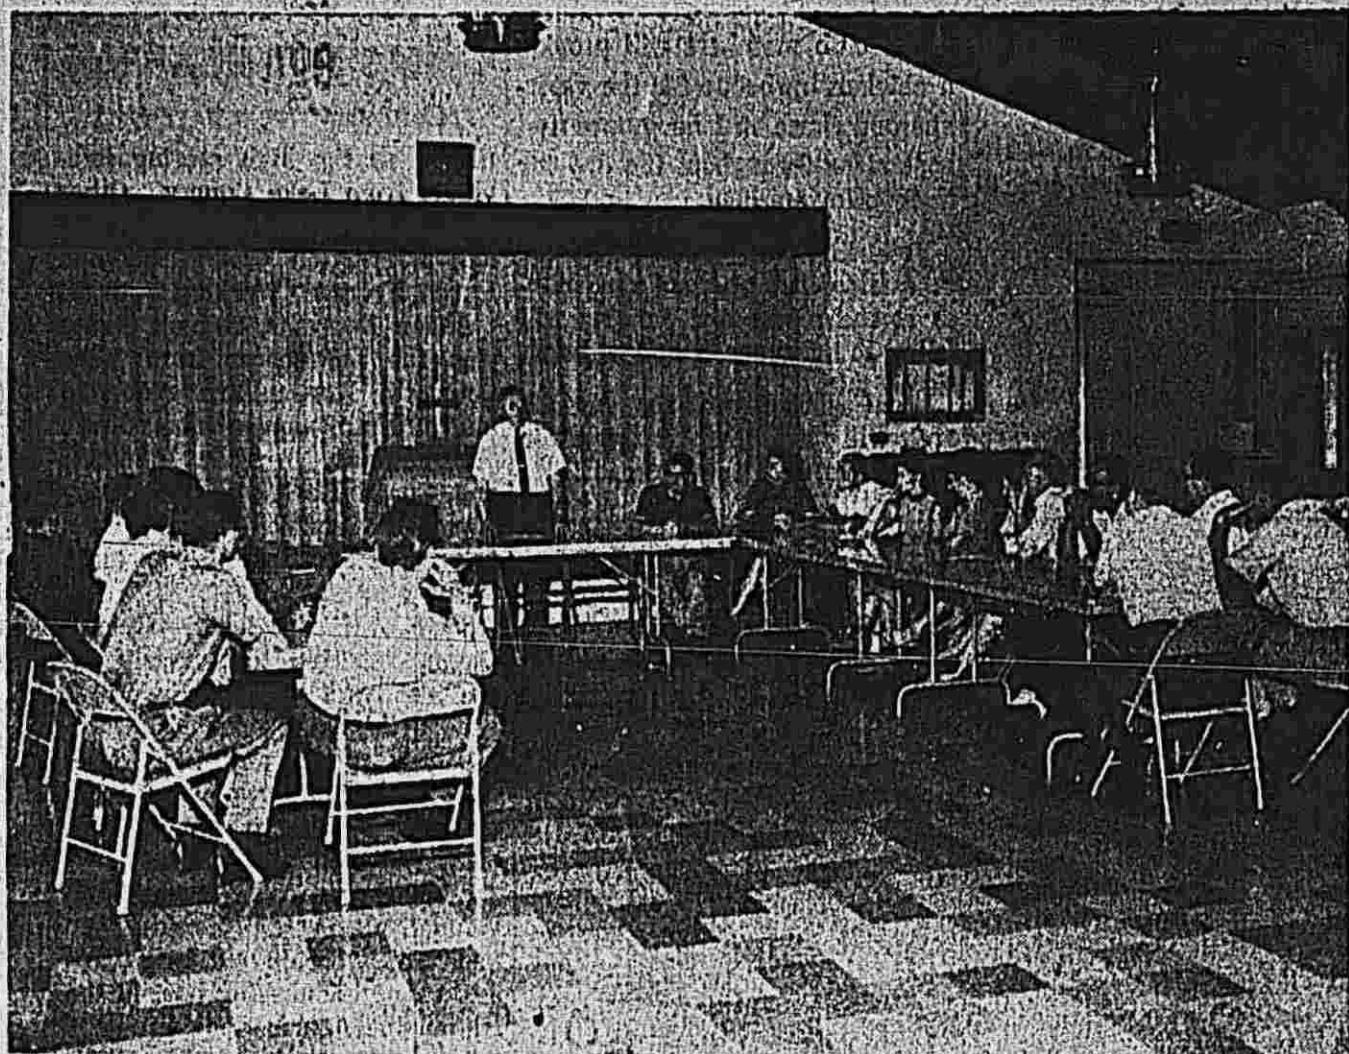

BIRTHDAYS
A happy birthday is wished to Diane Bracher, Roberta Jonas, Gregory Tomasik, Ronald Neumann, Diana Sia Kaplan, Patti Schartz, Steven Hartokolis, Michael Wismer, Milton Lazansky, Lori Fuka, Michael LaPaglia, Ray Perssons, Gary Brassfield, Judy Bateman and Ted and Bill Brendel.

ANNIVERSARIES
Congratulations to Paul and Betty Ireland on their twentieth wedding anniversary July 15. Also, Paul and Annette Harvey on their second wedding anniversary July 13. B. W. and Joyce Bonfoey will be married 12 years on July 12. And Neville and Evelyn Ford will be married 25 years on July 12. Our best wishes.

CHRISTIAN SCIENCE CHURCHES
Questions about the origin and preservation of life are answered from a metaphysical viewpoint in the Lesson-Sermon on "Life," to be read in all Christian Science churches on Sunday, July 19.

One of the readings from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, Discoverer and Founder of Christian Science, states: "We apprehend Life in divine Science only as we live above corporeal sense and correct it. Our proportionate admission of the claims of good or evil determines the harmony of our existence,—our health, our longevity, and our Christianity."

One of the Bible passages is from Job: "The Spirit of God hath made me, and the breath of the Almighty hath given me life." All are welcome to attend services beginning at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch.

The Rev. Donald Cobb addresses those who attended the recent all-day seminar of the Interdenominational School for Rural Leaders at the United Methodist Church of Antioch.

Seminar Held At United Methodist

The United Methodist Church of Antioch entertained an all day seminar of the Interdenominational School for Rural Leaders, from Garrett Seminary in Evanston, Wednesday, July 8. The seminar was under the leadership

Sports Chairman Lee Mieur, stated that the Antioch Moose members who bought tickets for the baseball trip, will go to the Sox Park to see the Sox-Baltimore double-header, on Sunday morning July 19 at 10:45, meeting at the Moose Lodge.

There will be a ritual team practice on Tuesday evening, July 21 at 8 p.m. at the Moose Lodge. Chairman is Richard Jorgensen.

On July 22nd there will be an enrollment of new members at the Antioch Moose Home. The Antioch ritual team will perform the ceremony. This is going to be on the regular meeting night.

The annual Antioch Moose picnic was a huge success, reported by Gov. Ron Polson. Chairman of the picnic was Jerry Kusch. Games and watermelon were enjoyed by the children. The prize, a Charniglow gas fired charcoal broiler, donated by Charniglow, was won by Ray Engel, Petite Ave., Antioch.

By Dorothy Laursen
First regular business meeting of the current year was called to order by the new Senior Regent Erna Toft on Thursday, July 9.

Co-workers Kathleen Byrd and Dorothy Tralowski received their Chapter pins for attending three consecutive meetings.

After the minutes and correspondence was read by Collegian Recorder Jerri Olson, the July birthday march was made by Pat Sperling.

After the close of the meeting, the election results showed that Catherine Kloth was elected treasurer, and Fran Boxley was appointed sentinel. They were then installed in their offices by installing regent, Collegian Gerry Mark, and led to the altar by installing guide, Collegian Jerri Polson. The installing escorts from the College of Regents were May Palmer, Jane Meyer, Harriet Grewe, Alice Young, and Pianist Gladys Schroeder.

The next meeting on July 16, will be an open meeting for the College of Regents Chapter night and all co-workers are invited to bring guests.

Social Notes

By Del Jahneke
Arthur Buchert of LaFeria, Texas, a nephew of the late Walter Buchert, has been a guest of Mrs. Walter Buchert and son, of Channel Lake. He has also enjoyed a stay at Merrill, Wis., in the summer cottage of the Laurel Van Patten of Antioch.

Door County, Wis., held many "entrancing vistas" for the Bernard De Vries, who had a wonderful time during their four

of two visiting professors, Dr. Jakob Nussbaumer from Switzerland, and Dr. Wallace Ogg from Iowa State University, Ames, Iowa.

The students came from various states and nations, and all are involved in rural activities in their home areas. There were representatives from Korea, Germany, Switzerland and Canada, and eight states.

Antioch was chosen as a community that "has gone through many interesting changes in the past generation. Professor Stephen Cobb, who has been studying under Dr. Rockwell Smith of Garrett, was instrumental in directing the seminar to Antioch.

The purpose of the seminar was to make an in depth study of sociological changes in the community, using local resource leaders: Mr. Russell Barnstable, Mr. Charles Mapletorpe, and Rev. Donald Cobb, spoke with the group while they were gathered about the tables in Wesley Hall. Then the group departed for field trips, the first being made to the Skokie-Holstein farm where Mr.

Rasmussen explained the operations of his farm and took the group through the various facilities. Then the group visited the farm of Mr. John Van Slochteren in Bristol, Wis., where the running of a small, family farm was explained. Returning to the village, a visit was made to our new library where Miss Betty Lu Williams ably discussed its development over the years. Finally, the group visited the local high school, where Mr. Warren Polley gave an excellent account of major developments there and answered many questions from the group.

This completed a very busy and profitable seminar in rural development, and back to Garrett returned a tired class of graduate students, to face still another lecture in the evening.

Mrs. Herbert Claesson and Mrs. Donald Cobb served luncheon for the seminar group.

'His Land' Scheduled For Antioch

Across a barren land, scarred by centuries of war and neglect, the spectres of ancient Israel appear, hover, and fade away. Suddenly there is movement of a different sort, and slowly, steadily, a startling transformation begins to take place.

Thus begins "His Land," the thrilling story of Israel from ancient to modern times. "His Land," a one-hour color feature motion picture takes you on a journey through space, time and

Dr. Solar Hosts Luncheon At His Home

Dr. Charles Solar, Podiatrist of Antioch hosted a luncheon meeting at his home on Wednesday, July 8. Fellow Podiatrists of Lake County were in attendance.

Highlights of discussions were the increased role of podiatry in the health care and welfare of all age groups. Also, the addition of future planned care for the young people as to how it will affect their future school activities, jobs and vocations in the manner of proper foot structure and maintenance.

The meeting was terminated with Dr. Solar preparing his favorite repast over charcoal.

current events. You see graphically, the fact that Israel today is a living testimony to the words of the prophets, when they proclaimed that Israel would take her place among the nations of the world.

In the company of Cliff Barrows and Cliff Richard, England's popular star, who sings a number of new Ralph Carmichael songs, some of which were actually written on location, you travel the vibrant streets and lonely, solitary paths of this nation whose destiny is daily discussed in the counsels of governments all over the world. . . . the same paths taken by Jesus and the prophets: Galilee . . . the wilderness . . . Jerusalem . . . the Mount of Olives . . . mingle with the people of modern Israel as they work, play and build a nation.

Words of Scripture come to life as the two men reflect upon the events that in recent years have confirmed much of the ancient prophecies. You are witness to the fact that out of death and desolation is emerging a new land "a Land of milk and honey," where the future climatic events of history will take place.

"His Land," rich in color and authentic sights and sounds, with a popular musical score composed and arranged by Ralph Carmichael has been called a musical journey into the soul of a nation, and will be shown on July 23 at 8 p.m. at the Antioch Evangelical Free Church, Antioch, Ill.

"His Land," truly a feast of color, sound and song. An unforgettable experience!

Brigadier Anderson

Mrs. Anderson

Anderson Is In New Salvation Army Post

Brigadier C. Milton Anderson has assumed command of The Salvation Army Northern Illinois Division and will also serve as the director of Greater Chicago Activities. The new assignment has been in effect since July 1, 1970. Brigadier Anderson previously served as state commander of Wisconsin and upper Michigan since August of 1968.

A native of Rockford, Ill., where he had his formal schooling, he worked for seven years as a tool and die engineer before entering The Salvation Army School for Officers' Training in Chicago. He was commissioned a Captain in 1943.

He has served in a number of Salvation Army field assignments including Chicago and Evanston, Ill., Minneapolis, Minn., and Kalamazoo, Mich. He also served as state youth director in Indiana. While in Chicago, he served for two and one half years in the Correctional Services Department.

In 1965 Brigadier Anderson was a delegate to The Salvation Army's centenary celebrations and world congress in London, England.

Brigadier Anderson has been a part of musical groups throughout his career and from 1959 to June 1966 was a member of the famous Salvation Army Staff Band (percussionist) and the Chi-

cago Staff Singers. He has been a member of the Lions Club, Kiwanis Club and Rotary International for the past 20 years, and has been a popular song leader for these organizations.

Mrs. Brigadier Anderson has assumed the duties of director of Women's Services of The Salvation Army Northern Illinois Division. She was born in Seattle, Wash., and is the daughter of Salvation Army officer parents.

Following her graduation from Senn High School in Chicago, she received her B.S. degree from Wheaton College, Wheaton, Ill., in 1942. Two years of graduate study at the University of Chicago's School of Social Service Administration followed before she entered The Salvation Army School for Officers' Training from which she was commissioned a Lieutenant in 1945. Ten months in an inner-city Chicago corps was followed by ten years as director of The Salvation Army Family Service Department in St. Louis, Mo. In 1956 she was appointed as assistant regional director of the Hospitals for unwed mothers.

In 1957 Mrs. Anderson was appointed to The Salvation Army's International College for Officers, London, England, for a two month course with officers from 16 countries.

Mrs. Anderson has been on the Board of Managers of Milwaukee

'Apple Tree' Scheduled For July

There are two more weekends to catch PM&L's musical hit "The Apple Tree." This "three in one" musical comedy played to delighted audiences last weekend and will continue Friday and Saturday evenings July 17, 18, 24, and 25 at 8:30 p.m. at the Antioch High School cafeteria.

Reservations are coming in fast so make yours now so you won't be disappointed. Both adult and student tickets are available. Call Mrs. Henry Apostol 395-1217.

The "Apple Tree" is a play of many moods as it moves from one part to the next. "The Diary of Adam and Eve" with Mary Beth Bentele playing Eve, Ken Smouse as Adam, and Fred Holbert as the Snake is filled with delightful melody, humor, and sadness.

"The Lady and the Tiger" stars Elita Layman as Princess Barbara, Jerry Oelerich as Sanjar, Fred Holbert as the Baladeer who "tells you the tale" and Rich Yrman as King Arik. Pat Roman enacts the Tiger, Kenn Nelson is the prisoner, Terri Lisk is the prisoner's bride, and Nancy Eberman is the temptress Nadjira. The bevy of lovely courtesans include Linda Lance, Elda Minger, Chris Ahlstromer, Debby Chandler, Jean Oelerich, and Judy Schweiss. The guards include Charles Brown, Steve Smouse, Bryan Sorenson, and Fred Troy.

"Passionella" is like nothing else you've ever seen. Dee D'Isa plays Ella the chimney sweep who is changed into Passionella the beautiful, glamorous movie star by her friendly neighborhood Fairy Godmother. Fred Holbert narrates this fantastic fantasy. Fred Troy plays Flip the prince charming, and the rest of the cast which includes the producer, patrons, fans, followers and movie crew are played by the before mentioned people as well as Mary Wiczorek.

Bessie Barnes stars in her own right at the piano, Steve Tell plays drums, and Bill Dow will play guitar these last two weekends. The entire production is directed by PM&L's president, Ken Smouse.

Church Women United for the past three years. She is a member of the Zonta Club, National Association of Social Workers and is a member of the Academy of Certified Social Workers.

Social Notes

(Continued from page four)

days spent there recently. They headquartered at Fish Creek, saw an excellent play given by the famed Peninsula Players at their large open-air theater, and then, thoroughly explored beautiful Peninsula State Park. On one occasion, they took the ferry boat to Washington Island, a community in itself. While there they toured the 28 mile round trip around the island, and visited the museum and school house (95 children attend school there. Several pleasant hours were whiled away at Pottawatomi State Park, another lovely scenic park, located near Sturgeon Bay, en route home.

Mrs. Joseph Rhymer, Antioch, entertained her niece and husband, Mr. and Mrs. Carl Witt of Clearwater, Florida, and their daughter and her family, Mr. and Mrs. James Bowman and son of Winston, N. C., last week. The Witts and Bowmans also visited relatives and friends at Chetek, Wis., and in the nearby vicinity of Antioch, too.

The Ray Rathmann family have completed a 12 day vacation trek to Arizona. While enroute they stopped at North Platte, Neb., visited a Trading Post, and saw some colorful Indian dancing. At Vail, Colo., they engaged in some playful snowball throwing, and drove through some 6 inches of snow—a unique experience in late June. Chalet Inns abound at Vail, which is fast becoming a well known ski area.

In Denver, Colo., they toured the mint, and looked at the state capital—an imposing edifice. Next to Mesa Verde, Colo., where they saw many Indian tribes and explored the largest group of prehistoric cliff dwellings in the world—they viewed their ancient ceremonial chambers, storage rooms, terraces, and the ruins of the palace room, which once housed 400 Indians. On leaving there, they had the frightening experience of driving in heavy fog in the mountains.

Arriving at Phoenix, Ariz., they visited old friends, the Eric Larsons (former Deep Lake residents). They traversed the Apache Trail, a grueling four-hour drive by car, and saw the Superstition Mountains. The Larsons and the Rathmanns were delighted with an old fashioned beer garden, where they ate delicious steak.

Their next destination was the Petrified Forest and the Painted Desert.

Homeward bound, they stopped at Albuquerque, New Mexico. In Oklahoma City, Okla., they encountered "Frontier City" with its wooden sidewalks, western old time dance halls, and realistically staged gun fights.

This proved to be their last stopping place, as thoughts of "there's no place like home" entered their minds—they headed straight back to Antioch.

It's easy to place a classified—Just dial 395-4111.

Legion Auxiliary

By Del Jahneke

There will be a New Citizens Reception, co-sponsored by the 10th District American Legion and the Auxiliary, on July 21st, at 8 p.m., at the Homer Dahringer American Legion Home, Waukegan.

Co-chairmen are Roy Lundsten, Waukegan, District Junior Vice Commander, and Mrs. Al Dorn, Mundelein, District Auxiliary Americanism Chairman.

The District Colors will be presented by the Gurnee American Legion Honor Guard, led by Capt. Ed Jahneke. Invocation will be given by Mrs. Richard Brady, Gurnee, District Chaplain. Mrs. Bronson Gridley, Lake Bluff, Regent of the North Shore Chapter, D.A.R., will give the Pledge of Allegiance.

Mrs. Minard Hulse, Waukegan, will lead the audience in singing the national anthem. Pianist for the evening will be Mrs. Ray Suzzi, Highland.

Addresses of welcome will be given by Mrs. Robert Broege, Deerfield, District President-elect; and District Commander Clarence Warncke, Waukegan.

"The Flag Speaks," a manuscript, will be read by Mrs. Thomas Booth, Women's Relief Corps (WRC), Grand Army of the Republic (GAR).

The guest speaker is the Honorable Minard Hulse, Judge of Lake County Circuit Court. His talk will feature the meaning of Americanism.

"I Am the Flag," a reading, will be said by Mrs. Louis Thompson, Waukegan No. 281 Legion Auxiliary. Entertainment will be musical selections sung by the County Chords Chapter of the Sweet Adelines, Inc., directed by Mrs. Jarmello Spelo.

Among the 32 new citizens whose petitions are up for hearing, and who should be receiving their naturalization papers that night from Lake County Circuit Clerk Mrs. Stephanie Sulthine, Lake Bluff, is Mr. Frank Rodriguez of Lindenhurst.

Presentations will be made by Mrs. Alfred Vigard, Waukegan Legion Auxiliary; Mrs. Joseph Schwartz, Waukegan Chapter, D.A.R.; Mrs. B. Gridley North Shore Chapter, D.A.R.; Mrs. Eleanor Stutzman, National Daughters GAR; and Mrs. Alice O'Dell, Ladies Auxiliary, World War I Veterans.

Mrs. Hulse will sing "America," with audience participation. There will be a Retirement of District Colors, and the Benediction will be given by Past District Chaplain, George Robbins of Zion.

All American Legion Posts and Units, other participating organizations, are asked to post their flags at 7:30 p.m., so that there may be massed background of colors for the reception.

Refreshments will be served by the Deerfield, Fox Lake, Grayslake, Lake Villa, Gurnee, Mundelein, Vernon and Waukegan.

Farm Safety Week Is Proclaimed

President Nixon has proclaimed July 19-25 as National Farm Safety Week. The Proclamation draws attention to farm safety for a period of one week, but is intended to emphasize the importance of farm safety throughout the year, according to Director Jerry Klebe, Lake County Safety Commission.

Accidents kill more than 8,000 farm residents each year, and an additional 700,000 or more are victims of disabling injuries. Traffic accidents account for the largest percentage of farm resident accidental deaths. "Practicing safety during National Farm Safety Week can create lifesaving habits throughout the year," Director Klebe said.

"Protection—Make It Work for Safety" will be the theme of this year's Farm Safety Week. Attention will be focused on protective equipment like tractor overturn protection, fire extinguishers, machinery shields and guards, personal protective equipment for hands, feet, eyes, head, body, etc. The campaign is sponsored annually by the National Safety Council and the United States Department of Agriculture.

The Slow-Moving Vehicle (SMV) emblem is a fluorescent, yellow-orange colored triangle (metal) 14 inches high and 16 inches wide. It is placed on the rear of slow-moving vehicles and has become standard in several states. If you are a farmer and drive slow-moving vehicles on the highway, you should use the (SMV) emblem. It could save your life. If you are a city resident and travel the rural highways, you, too, should know and recognize the (SMV) emblem. "It could prevent you from being involved in a rear-end collision with slow-moving equipment," Director Klebe said.

Northern Illinois Plans Workshop

Three music workshops will be held at Northern Illinois University during the last two weeks of July. A session on choral music is set July 22-24; piano pedagogy from July 27-29, and elementary general music July 27-31. Information on the workshops is available from Dr. Earl Loessel at NIU's department of music.

Gary Doolittle Makes Dean's List

Gary R. Doolittle, son of Mr. and Mrs. Russell Doolittle, Antioch, has been named to the Dean's List at Spencerian College, Milwaukee, with a grade-point average of 3.56 during the past semester out of a possible 4.0.

Gary is a second-semester student at Spencerian majoring in Accounting.

da American Legion Auxiliaries. Mrs. Walter Hills is the Antioch unit Americanism chairman. Approximately 300 people are expected to be in attendance.

Annual Picnic Set

The Cross Lake Improvement Association will hold its annual picnic on Saturday, July 25, serving a spaghetti dinner from 4 to 7 p.m.

In case of rain the event will be held on Sunday, July 26. There will be plenty of fun, games, food, dancing and other activities.

WORK ACCIDENTS

The number of work injuries and deaths per 100,000 workers has been dropping steadily in the past 25 years. In 1968, with an employed labor force of 75.9 million persons, 14,300 persons were killed, approximately 19 out of every 100,000 workers. This was about 36 per cent lower than the 1944 rate of 29.6 deaths per 100,000 workers.

Still Time For Vets Enrollment

Veterans of Illinois were reminded today by John B. Naser, Veterans Administration regional office director, that there is still time to complete college enrollment for the fall term.

Naser urged veterans not to wait until the last minute if they plan to use their G.I. training benefits.

"While many of the larger universities no doubt have already filled their freshman classes for the year, many smaller colleges and junior colleges will accept new students up until school begins in September," Naser said.

As a prerequisite for enrollment, veterans planning enrollment must secure their certificate of eligibility from the regional office in Chicago. The current G.I. Bill covers men and women who served after January 31, 1955. Present benefits provide \$175 per month for single veterans and larger amounts for those who are married.

The regional office is located at 2030 W. Taylor Street in Chicago. Mailing address is Veterans Administration, P. O. Box 8136, Chicago 60660. The telephone number is 353-3900.

DeKalb Listed As Barb Wire Birthplace

It had to happen someday in DeKalb which is the birthplace of the barb wire industry.

Much of the city's history is tied to development of barb wire in the 1870's. DeKalb came to be known as the "Barb City."

Enter Barbara Ruth Watson, who came to DeKalb because of Northern Illinois University. Now an NIU graduate student, she recently agreed to appear in 19th century costume at a benefit style show for Ellwood House, a restored mansion and former home of one of the developers of barb wire.

But Barbara now is the wife of Gerald Wire, a partner with his father in a 170-acre dairy and hog farm near Winslow.

That's right. She's now Barb Wire and appeared in the Barb City for the benefit of a museum with the history of the development of a product which has caused her much good-natured ribbing.

817,000 Training Under VA

Nearly 817,000 persons were training under Veterans Administration programs in April—the most for any month since the current G. I. Bill went into effect June 1, 1968.

Administrator of Veterans Affairs Donald E. Johnson said the April figure was a 35 per cent increase over the same month a year ago, and seven per cent higher than the 764,000 peak reached under the Korean Conflict G. I. Bill at the end of March 1957.

Johnson also said a substantial increase was made in the apprenticeship and on-the-job training programs. These categories jumped 73 per cent—from 45,000 in April of last year, to 78,000 in April this year.

Almost 60 per cent of the 817,000 in training at the end of April were in institutions of higher learning. Total college-level enrollment for April 1969 was about 333,000 more than in April 1968, he noted.

Citing statistics for trainees under the Dependents' Educational Assistance program, he explained that the 33,284 enrolled in April this year were 4,438 more than a year ago, and included nearly four times as many wives and widows as last year.

The large increase in wives and widows enrollment reflects the rapid infancy growth of the program which began in December 1968, the VA Administrator explained.

Antioch's Babe Ruth Squad couldn't get started and fell to Barrington by a score of 9 to 3. Here is a shot of the action. (Photo by Joe Rush)

Young Sweeps Races

Ray Young of Dolton was unbeatable at the Waukegan Speedway Sunday night as he turned in a clean sweep, winning every race he entered plus setting a new one lap qualifying mark. Jim Cossman of Waukegan led the feature for 13 laps before Young took over on the 22nd lap for the win.

Cossman still had his sights set on the win and shadowed Young through the closing laps, nearly passing Ray in the 27th lap. Cossman finished second, two lengths behind Young with Bob May of Gurnee third. Scott Moore of Mundelein gathered in fourth place money in front of Saturday's feature winner, Lee Schuler of Lockport.

Young served notice that he was the man to beat Sunday as he turned a 1:42.1 lap in qualifications lowering his own record by .04 seconds. Young passed Herb Artelt of Wildwood in the final lap to win the dash and then took the lead at the halfway mark to win his heat race.

Cora Morton, a grandmother who races a hobby stock car at Waukegan, really had a big night as she set fast time in the hobby division, crashed her Thunderbird in the heat race, but then passed Tom Oliver of Zion with three laps to go to win the hobby feature race, much to the crowd's approval.

The "Tell Your Wife Where to Go" race was declared a three way tie after one of the blindfolded lady drivers passed out from the excitement and required trackside attention. Two of the entries climbed the concrete wall as all of the ladies, with their husbands in the back seat directing, had plenty of trouble staying on the asphalt.

The late model feature required

Antioch Swim Team Loses

The Antioch Swim Team lost a close meet to Brentwood of Waukegan by a score of 168 to 152 on July 8 at Brentwood.

Entering the next to last event, the two teams were separated by only 2 points, but Brentwood won the girls' 16 and under butterfly and the 200 yard freestyle relay. This brings the season record to 2 wins and 3 losses.

Leading in the Antioch team were Eddy Berry with 2 firsts, a second and a third for 14 points. Greg Shepard, Dave Berry, Barb Dodd and Pat Muro all had 2 firsts for 10 points and Pat Muro also swam on the winning medley relay team. The meet results are as follows:

In the Girls 8 and under, 25 yard freestyle, with a time of 20.1, K. Stanczak of Antioch took first and H. Stanczak, 3rd.

In the 25 yard backstroke, with a time of 25.6, H. Stanczak took

two restarts in the early going for minor mishaps. Norm Zenko of Highland Park was the early leader before Lou Clavey of Deerfield paced the field until the 9th lap. Clavey finished 6th and Zenko was 8th at the end of 30 laps.

At the end of five laps, the leaders were Clavey, Zenko, Ray Bush of Silver Lake, Bob May and Jim Cossman. In the next lap Zenko dropped back and Bush spun with May going into second. Cossman then passed May and in the 9th lap moved by Clavey for the lead.

Young powered into second at that point and two laps later closed the gap on Cossman, pulling alongside Cossman at several points. At the halfway mark it was Cossman just in front of Young with Schuler third ahead of Moore and May.

Young finally inched by Cossman on the 22nd lap and then just held on for the win with Cossman right behind. Meanwhile May had passed Moore in the 20th lap and Schuler in the 23rd for third spot.

1st and K. Stanczak, 2nd.

In the Boys 8 and under events, G. Shepard took 1st and R. Sapolinski 2nd, in the 25 yard freestyle. In the 25 yard backstroke G. Shepard took 1st.

Girls 10 and Under, K. Hollenhorst took 2nd and C. Berry 3rd in the 25 yard freestyle, and L. Stanczak took 2nd and K. Hollenhorst a 3rd in the 25 yard backstroke. In the breast stroke, K. Hollenhorst a 1st, and C. Berry 3rd.

In Boys 10 and under events, S. Reeves took 2nd, in the freestyle, and also took second in the backstroke and breast stroke. D. Walpole took 3rd in the breast stroke.

In the Girls 12 and under, J. Fjelds took second in the 25 yard freestyle. S. Berry had a 1st in the backstroke, and S. Solomon took a 3rd in the breast stroke.

In the Boys 12 and under, D. Berry had a first and J. Kakacek a third in the freestyle, D. Berry a 1st in the backstroke, and in the breast stroke J. Kakacek took 2nd and T. Waite a 3rd.

In the Girls 14 and under, K. Kakacek had a 3rd in the freestyle, B. Dodd a 1st and M. Hollenhorst a 3rd in the backstroke, and in the breast stroke B. Dodd took 1st and K. Kakacek 3rd.

In the Boys 14 and under event, P. Muro took 1st and K. Walpole 2nd in the freestyle, E. Berry took 1st and M. Hinterburg 2nd in the backstroke, P. Muro took 1st and E. Berry 2nd in the butterfly, and in the breast stroke E. Berry took 1st and F. Abderhalden 2nd.

In Girls 16 and under, S. Hollenhorst took 3rd in the freestyle, G. Teresi took 3rd in the backstroke, S. Hollenhorst 3rd in the butterfly and also 3rd in the breast stroke.

In the Boys 16 and under, M. Edwards took 1st and J. Vorheis 3rd in the freestyle, M. Muro took 2nd in the backstroke and the butterfly, and in the breast stroke B. Vorheis took 2nd and M. Edwards 3rd.

In the Mixed Diving, 12 and under, M. St. Pierre took 2nd, and in the 16 and under, E. Berry received a 3rd.

In the Mixed Medley relay, the Antioch team of M. Muro, D. Walpole, P. Muro and S. Haley won from Brentwood.

The Antioch team of B. Berry, K. Walpole, J. Kakacek and T. Waite came in second.

INCENTIVE

All through recorded history, rulers of slave states have found to their ultimate sorrow that there is no way to force human beings to produce where there is no will or incentive to work. What modern rulers and lawmakers apparently fail to realize is that great industries are also subject to the same natural law that governs the will to work of the individual. As in the case of ancient slaves, where the lash is substituted for incentive, the will to work begins to atrophy.

Antioch Babe Ruth Falter

Starting pitcher Glen Amundsen, not up to his usual pitching ability, got off to a bad start, allowing Barrington to gather six runs in the first two innings.

The situation was not improved by 3 errors made by Antioch in the same two innings. Glen was replaced by Bud Newton in the third inning and did a fine job by holding Barrington hitless for the next three innings.

In the sixth inning they got to Bud for a walk and a single, together with some base stealing, they gathered another run. The inning was cancelled out when Barrington tried a squeeze bunt by their right fielder Lutz who popped to Newton, who caught the runner off third.

The seventh inning brought more problems for Antioch when Barrington gathered a couple more hits and with walks to help them. They pushed 2 more runs in. Antioch closed that inning with a fine play by Tim Meuro who flagged down a hard hit drive and threw to third for a double play, and the third out was a ground ball to second baseman Mike Burroughs.

On Antioch's side of the ledger the 1st and 4th innings were their best. Terry Lear and Tim Meuro both drew walks and Mike Burroughs drove in Lear with a single.

The 4th inning started good with one away and Gary Glover drawing a walk, Mike Gutowski singled and Greg Weber coming up with a double to drive in Glover and Gutowski. Weber was caught stealing third and the next batter struck out to finish the inning.

The balance of the game was tough for Antioch who could not get any wood on the ball, with the exception of Joe Mihovlovich who singled in the last inning and died on base.

Barrington won the game 9-3. The Antioch squad consisted of Tim Meuro, Terry Lear, Larry Pawlowski, Mike Burroughs, Mike Guilfoyle, Gary Glover, Mike Gutowski, Gordon Sillanoff, Greg Weber, Joe Mihovlovich, Glen Amundsen, Bud Newton, Peter Laursen, George Davis and Dennis DeBoer.

Custardo Back In Rifle Fold

A cautious optimism is beginning to pervade the Lake County Rifles football training camp. All-league quarterback Fred Custardo is back in the Rifle fold.

Custardo, the former University of Illinois Rose Bowl star, set an all time passing record in the Central States league in 1969. He amassed almost 2500 yards via the aerial route, good for 26 touchdowns. Despite his record breaking season last year, Custardo will be challenged for the number one signal calling spot by Bob Carress, another Lake County hopeful.

Carress while a member of Rockford in '68 took his team to a southern division title, a feat accomplished by Custardo last year with the Rifles.

Custardo is a right handed slinger, while Carress works from the port side, both will have an enviable array of receivers to work with. The newest acquisition is all-league tight end John McGuire, one of Custardo's favorite receivers last year.

Rookie Terry Hudnick, of St. Joseph's College, a recent cut from the Chicago Bears camp will be seeking a berth as a split end or flanker back. Coupled with Bill Potter, Jeff Taylor, Gene Johnson, George Miner, Gene James, Dave Emery, Norm Nissen and Jack Lichtenberger the Rifles boast the most prolific crop of ends in their club's history.

Running backs Bill Bodle of Pittsburgh University, Larry Ferguson of Iowa, Glenn Johnson of Olivet College and Karl Maio from St. Joseph's promises to give the Lake County team a most potent offense.

The Rifles are now in their third week of practice preparing for an exhibition opener with the Racine Raiders on August 1st at Carmel High School in Mundelein. Season tickets are nearing the 1300 mark for 1970.

To add a little fun and pageantry to Rifle team contests the club has purchased an 18th century cannon to be fired at all games whenever the club scores. If any more help in their team is uncovered they may have to purchase a second cannon.

Supers In Full Swing At Tracks

The Circuit of Supers of Interstates Racing Association will be in full swing this week as the supermodifieds compete in two separate mid-season title races at IRA Sanctioned tracks.

Wednesday, July 15 finds them at Raceway Park for a 40 lap mid-season event and on Sunday night, July 19, they wind up the mid-season action with another 40 lap title chase at the Lake Geneva Raceway. Saturday night, July 18, they will be at the Kenosha County Speedway in Wilmot for the Hastings Trophy Feature race.

The Raceway Park oval has produced the greatest variety in feature race winners with Ron Bergsma, Roger Otto and Jim Bozeman scoring victories. Point leader Whitley Harris has won four feature races at Wilmot and three at Lake Geneva. Other feature race winners are Don Sorce, Chuck Acheson, Larry Leach, Al Schill, and Jim Sullivan. All will be trying for the mid-season title wins at these tracks.

Schuler Shatters Record

Lee Schuler of Lockport shattered the 30 lap late model feature record at the Waukegan Speedway in a side-by-side photo finish with Ray Young of Dolton Saturday night. Schuler's time of 7:25.31 bettered Young's year old mark by over 10 seconds.

Although Young lost his 30 lap standard, he did lower his own 10 lap heat race mark with a victory there. Young, the current point leader, also set the fastest qualifying time and won the trophy dash.

Schuler, who missed time trial runs, had to start behind Young in both the heat and the feature. He finished second to Young in their heat, with Young setting a new record, and then passed Young with ten laps to go to record his second straight Waukegan feature win and fourth of the year.

Bill Carpenter of Addison and Frank Cabrera of Chicago shared the feature lead in the first lap before Jim Cossman of Waukegan took over. By the fourth lap, Bob May of Gurnee was second in front of Bob Anzinger of McHenry. Young, Schuler and Scott Moore of Mundelein.

Anzinger got by May in the fifth lap for second and a shot at Cossman, but in the very next lap he hit a slower car letting both Young and Schuler by.

Cossman maintained a torrid pace holding a good margin over both Young and Schuler. By the halfway flag Young caught Cossman with both Young and Schuler passing Cossman.

Schuler never backed off pressuring Young every lap. The crowd came to their feet in the 20th circuit as Schuler moved inside Young in the second turn for the lead.

But the race was far from over as Young never fell more than three feet behind Schuler in the remaining 10 laps. In the 26th lap both drivers had a close call as Jim Goettsche spun directly in front of the leaders while being lapped.

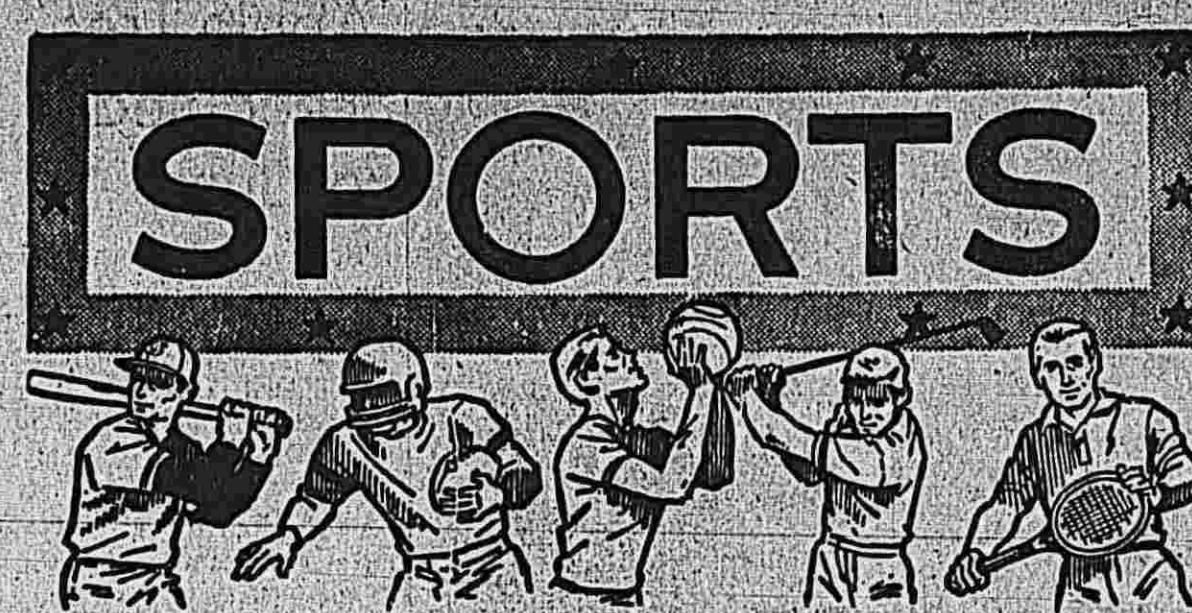

The final lap brought the fans to their feet as Young made another determined effort for the lead. In the final turn Young moved inside but Schuler won the drag to the flag with Young moving in front some 150 feet past the finish line. Cossman finished third.

Another spirited race went on behind the leaders in the final 15 laps as Anzinger and May fought it out for fourth. Anzinger won that duel with May fifth and Moore coming in sixth.

The 50 lap Midseason Championship race for the late models will be run next Saturday night with Sunday being held as a rain date.

Cliff Burdette of Sturtevant brought a new car out Saturday and ran away with the hobby stock portion of the program winning the 8 lap heat in record time and then romping home the winner in the feature. Rich Fikes of Waukegan was the division's fastest qualifier and finished second in the main event.

THE ANTIOCH NEWS-6

Harris Wins At Wilmot As Crowd Sets Record

The fans at the Kenosha County Speedway in Wilmot, set another attendance record for the modified and sportsman stock car races on Saturday night and Whitley Harris, Lake Villa driver, just couldn't keep from winning and upsetting the hopes of Wisconsin drivers pointing toward the rich feature race win.

Wisconsin drivers Ken Monroe of Pell Lake and Ken Hanson of Trevor traded the lead back and forth before Jim Bozeman of Waukegan took over. From that point to the end of the 30 laps, the best a Wisconsin driver could do was the 3rd place won by four time champion Roger Otto, Burlington.

Bozeman was setting a fast pace when Harris took second, but it wasn't until the transmission in Bozeman's car failed that Harris shot by.

Jr. Dodd, Waukegan, took second, but couldn't close the gap on Harris. Tom Anderson was 4th and Bozeman finished 4th, fifth while driving with one hand, holding his car in gear with the other. The night's fastest qualifier Bill Bohn, Kenosha, was sixth.

Ray Dropp, Palatine, was the night's only double winner as he beat Dave Bliss and John Shum in the first heat and later won the semi-feature by just a car length over Claude Potter and Joel Reimer. This race had 26 starters.

A 1919 Studebaker owned by Dr. A. J. Smith, Salem, paced the feature race before the 4360 fans who contributed to a \$4010 purse.

Jim Boehles, Franksville, won the Sportsman Stock Car feature after starting 16th in the 18 car field and getting the lead on the second lap. It marked the greatest back to front driving of the season for Boehles who leads that group in point standings. A special race was won by Tom Reuss of Wildwood with Cora Morton, McHenry, second.

The first game will pit the 12 year old boys from the two Little League Divisions in the annual All-Star game. Jack Bodin, of the Yankees will manage the White Division and Jack Christensen will head the Gray Division. As an added treat, cold watermelon will be served the players after the game.

The second half of the double header will pit the Antioch City fathers against the Little League Managers and Coaches. This game was initiated last year and proved a real crowd pleaser. The physical condition of some of the "players" has already put the Antioch Rescue Squad on alert. Game time is set for 3 o'clock.

Golf League Standings

The Tuesday Night Golf League season standings with only two weeks left in the season are as follows:

State Bank A	34 1/2
Wilton's T.V.	32 1/2
Cornelius Real Estate	31
1st National Bank	28 1/2
Gibbs & Jensen	28
Lorenz's Smart Country Hse.	27
State Bank (1)	26 1/2
King's Drugs	26
Teresi Chev-Olds	25 1/2
Antioch News	23 1/2
The Shoe Box	22 1/2
Carey Electric	19 1/2

The medalist players for the last few weeks were:

June 8-Jack Fields	39
June 16-Roy Wittek	38
June 23-Roy Wittek	37
Art Bloss	39
June 30-Jack Fields	36
July 7-Art Bloss	37

On June 30th the league had a buffet supper at Angel's after the league play.

There were several prizes awarded those receiving prizes were:

Low Gross-Roy Wittek, Art Bloss
High Gross-Wally Daniels, Irv Carey
Most Fours-Jack Fields, John Lear
Most Fives-Art Smojkal, Bill Christensen

INSULATION AWNINGS SIDINGS ALUMINUM WINDOWS AND DOORS

Antioch Little

(Continued from page 6)

It was a one hit performance by the winning pitcher, Tossy, to the 15 hits by the Yanks. The loser, Bogaerts got the 1 hit.

The second game was between the Cards and Sox, with the Sox winning 11 to 8, with Boarini the winner and Selzer the loser.

Totals: Sox 16 runs on 8 hits with 6 errors, the Cards 8 runs, 5 hits and 7 errors.

On Tuesday, July 7, the Pirates played the Cubs, with the Cubs winning 11 in the bottom of the 6th by a 3 run homer by Mitch Witt.

Marty Witt was the winner, and Halbeck the loser. Dave Wurster had a home run for the Pirates.

Totals: Cubs 7 runs, 6 hits, 3 errors; Pirates 6 runs 10 hits, 3 errors.

The second game on Tuesday was a three hit performance by Dave DeBoer with the Dodgers beating the Tigers 8 to 3.

Loser was Sticker.

Totals: Dodgers 8 runs, 11 hits, 3 errors; Tigers 3 runs, 3 hits, 5 errors.

On Thursday, July 9, the Cards downed the Tigers 10 to 0 on a 2 hits performance by Mitch Witt. The loser was Isaacson.

Totals: Cards 8 runs, 6 hits, 3 errors; Tigers 5 runs, 2 hits, 2 errors.

The second game Thursday was between the Cubs vs. Giants, with the Cubs winning 10 to 6 on a 2 hit performance by Mitch Witt. The loser was Isaacson.

Totals: Cubs 8 runs, 6 hits, 3 errors; Giants 5 runs, 2 hits, 3 errors.

On Friday, July 10 the Sox vs. Dodgers. It was a very big scoring game with the Dodgers winning 11 in the bottom of the sixth, 13 to 12.

Winner Houghton; loser, Caldwell.

Totals: Dodgers 13 runs, 4 hits, 4 errors; Sox 12 runs, 7 hits, 4 errors.

The Yanks vs. Pirates game was postponed to be played later.

Schill Gets Geneva Win

Al Schill, Franksville, got a last lap win at the Lake Geneva Raceway Sunday night when Chuck Acheson of Milwaukee had the steering on his car break in the number one turn just after the white flag signal. Acheson had led all other but the first lap which went to George Fisher of Janesville.

Whitey Harris who won at Wilmette on the IRA Circuit of Supers Saturday night and finished 16th in the USAC 200 mile stock car race in Milwaukee earlier in the day, looked a little tired in finishing second.

Jim Boehles scored a clean sweep of the Sportsman stock car events to further increase his point lead. Fran Baumgartner, Genoa City, won the Spectator Stock Car feature. Next week the IRA modifieds will run a 40 lap mid-season Championship race at Lake Geneva Raceway.

Glenna Burns Attending Men's College

Glenna Burns, daughter of Mr. and Mrs. Robert Burns, former Antioch residents, who was noted the Outstanding Senior Girl of the Antioch Community High School 1967 graduating class is now attending St. Mary's College in California.

She will be one of the first girls to graduate from this famous old men's college in its 107 year history. St. Mary's has an enrollment of approximately 1000 students.

The General Counsel of a major oil company (Standard Oil Co. of Indiana)—a man of the law—Mr. Richard J. Farrell, in an address at Washburn University, freely admitted that the administration of the law has its faults. But, he went on to observe, "... the right of dissent is being employed today on such a scale and in a manner as to threaten to bring down the whole social structure. "A great deal of the current furor in this country appears basically anarchistic in its inspiration, and among the many other luxuries we cannot afford at this stage in our development is a widespread state of anarchism. I use the term as it is most commonly understood to mean a terroristic resistance to government and social order. Given the complexity of modern, urban society, the last thing we can tolerate are people willing to destroy what is in order to see what might follow—if indeed they have such long-range curiosity."

Uniform Rules Urged For State Schools

Michael J. Howlett, state Auditor of Public Accounts, has suggested that Illinois state colleges and universities formulate uniform rules for dissent during the summer vacation period which can be enforced when classes resume in September.

Addressing the state convention of the Veterans of Foreign Wars in the St. Nicholas Hotel, Springfield, Howlett said students, parents and the taxpayers should be fully informed by then what discipline may be expected for any who break the rules.

"From 1950 to 1970, taxpayers of Illinois have spent about \$4 billion for higher education in state-supported institutions," said Howlett. "We have produced the smartest, best-educated generation of all times."

"We want young people to be able to express their views, and to dissent from what they don't believe, but only in a lawful, sensible manner. They can't interfere with the education of others, and they can't destroy property that belongs to the taxpayers."

"Just because the school term has now ended is no reason to think the problem of violence, arson and destruction are permanently resolved. We need strong leadership to lay down a program that will be followed when classes begin again."

"Taxpayers, students and their parents all should know what the limits will be and what will be the penalty for violation. The wonderful young people who are 98 per cent of the student body have a responsibility to the taxpayers, the schools and, to each other to keep the wilder 2 per cent within bounds."

"The budget for the current biennium for state colleges and universities in Illinois is more than \$1.1 billion, almost double the \$559 million appropriation for the previous biennium. But taxpayers are beginning to resist higher expenditures for educational institutions."

"Those who pay the bill—and many of them earned it without a complete higher education—are annoyed to read of violence, narcotics addiction and strange new standards of morals on campus."

"If the purse strings are tightened, it will be harder for deserving students to obtain loans, scholarships and other assistance they may need to obtain the best possible academic preparation for their lifetime careers."

"Millions of taxpayers in Illinois are supporting colleges and universities who never went through one themselves. If they want some tangible visible evidence that their money is well spent, who can blame them?"

PERVSION OF DISSENT

The General Counsel of a major oil company (Standard Oil Co. of Indiana)—a man of the law—Mr. Richard J. Farrell, in an address at Washburn University, freely admitted that the administration of the law has its faults. But, he went on to observe, "... the right of dissent is being employed today on such a scale and in a manner as to threaten to bring down the whole social structure. "A great deal of the current furor in this country appears basically anarchistic in its inspiration, and among the many other luxuries we cannot afford at this stage in our development is a widespread state of anarchism. I use the term as it is most commonly understood to mean a terroristic resistance to government and social order. Given the complexity of modern, urban society, the last thing we can tolerate are people willing to destroy what is in order to see what might follow—if indeed they have such long-range curiosity."

He and his parents and three brothers were visiting at 102 Timber Lane when he fell into the lake. He was the son of James E. and Mary J. Christensen.

Local arrangements were made by the Strang Funeral Home in Antioch and the funeral was held from a funeral home at 6125 N. Clark St. in Chicago.

Survivors are his wife, Jeanie, two sons Harold S. Wells, Burlington, Wis., and Glenn Wells, Twin Lakes, Wis., one daughter, Mrs. Grace (Leonard) Michaelis, Burlington, Wis.; two brothers, Ernest Wells, Gurnee, Ill., and Gordon T. Wells, Antioch, 5 grandchildren and 9 great-grandchildren.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Hickory Union Cemetery near Antioch.

FUNERAL NOTICES

MILDRED M. PADDOCK

Mrs. Mildred M. Paddock, 76 years old of Paddock Lake, Wis., passed away at 10 a.m. Wednesday, July 8, while in an apparent auto accident on Hwy. 45 south of Hwy. 43 in Paris Township.

She was born Nov. 4, 1893 in Wilmette the daughter of the late Kate and Dow J. Vincent, a former State Assemblyman from this area. She was a life long resident of Kenosha County. She and her late husband Ray M. Paddock had operated a summer resort on Paddock Lake for 55 years.

Her husband was the fifth generation of the Paddock family to reside at Paddock Lake. She married Ray M. Paddock on Nov. 3, 1915 at Wilmette, Wis., and he preceded her in death on Feb. 23, 1960. Two brothers, Henry and George Vincent also preceded her in death.

Survivors are two sons, Vincent M. Paddock, Hales Corners, Wis., and Alva C. Paddock, Paddock Lake, Wis.; one daughter, Mrs. Norma (Wilson) Scott, Greenfield, Wis., one brother, Clarence B. Vincent, Twin Lakes, Wis., one sister, Mrs. Maude Murdoch, Fond du Lac, Wis., seven grandchildren and four great-grandchildren.

Funeral services were at 1:30 p.m. Friday at the Salem Methodist Church in Salem, Wis. Rev. Ray Kotwicki of that church officiated. Interment was in Union Cemetery near Paddock Lake. Friends called at the Strang Funeral Home in Antioch after 3:30 p.m. Thursday.

ALBERT SWANSON

Albert Swanson, 67 years old of Cross Lake near Antioch, passed away on Wednesday, July 8, from a heart ailment at his home. He was born Jan. 31, 1903 in Gloucester, Mass., and moved to Chicago in 1930, then to Antioch in 1960. He was a retired flat janitor by occupation, and a former member of the Chicago Flat Janitors Union.

He is survived by an aunt, Mrs. Anna Lindgren of Chicago and several nieces and nephews.

Funeral services were held at 11 a.m. on Saturday, July 11 at the Strang Funeral Home in Antioch. Rev. Philip O. Laurin of St. Stephen Lutheran Church officiated. Friends called at the funeral home after 6 p.m. Friday.

MRS. CARYL CHRISTIAN

Mrs. Caryl Christian, 55 years old of Cross Lake, near Antioch, passed away on Tuesday, July 7, at 11:15 p.m. in Kenosha Memorial Hospital. She was born Jan. 27, 1917 in Chicago and had resided there until moving to Antioch 2 years ago. She had worked as receptionist at the "Advertiser" in Antioch until Feb. 1970. She married Peter P. Christian on March 12, 1946 in Chicago.

Survivors are her husband, Peter P. Christian, her mother, Mary Kunze, Chicago; two brothers Chester Kunze, Streator, Ill., and Richard Kunze, Chicago.

Funeral services were held from the chapel at 4024 N. Elston Ave., in Chicago, Interment was in St. Joseph's Cemetery in River Grove, Ill. Local arrangements were made by Strang Funeral Home in Antioch.

TIMOTHY J. CHRISTENSEN

Master Timothy J. Christensen, 3 years old of 6146 N. Maplewood, Chicago, drowned in Cross Lake on Sunday, July 12, at 6 p.m.

He and his parents and three brothers were visiting at 102 Timber Lane when he fell into the lake. He was the son of James E. and Mary J. Christensen.

Local arrangements were made by the Strang Funeral Home in Antioch and the funeral was held from a funeral home at 6125 N. Clark St. in Chicago.

Survivors are his wife, Jeanie, two sons Harold S. Wells, Burlington, Wis., and Glenn Wells, Twin Lakes, Wis., one daughter, Mrs. Grace (Leonard) Michaelis, Burlington, Wis.; two brothers, Ernest Wells, Gurnee, Ill., and Gordon T. Wells, Antioch, 5 grandchildren and 9 great-grandchildren.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Hickory Union Cemetery near Antioch.

Survivors are his wife, Jeanie, two sons Harold S. Wells, Burlington, Wis., and Glenn Wells, Twin Lakes, Wis., one daughter, Mrs. Grace (Leonard) Michaelis, Burlington, Wis.; two brothers, Ernest Wells, Gurnee, Ill., and Gordon T. Wells, Antioch, 5 grandchildren and 9 great-grandchildren.

Lions Elect International President

DR. ROBERT D. MCCULLOUGH

Dr. Robert D. McCullough of Tulsa, Oklahoma, was elected President of Lions International at the Association's 53rd Annual Convention in Atlantic City, New Jersey, July 1-4. Serving as the world's largest humanitarian service organization, McCullough leads some 932,000 members in 24,400 clubs located in 146 countries and geographic areas throughout the world.

Lions International is best known for its aid to the blind and sight conservation activities, international relations programs, and its many community service projects. "Involvement Now" will be the primary theme during Dr. McCullough's 1970-1971 Presidential Year. The importance of taking an active interest in the welfare of the community and the necessity for increased international understanding will both be emphasized.

MRS. MOLLY PETTY

Dr. and Mrs. W. C. Petty of Antioch, have received word that their daughter-in-law, Mrs. Molly Petty died Tuesday morning in Los Angeles, Calif., following a long illness.

Mrs. Petty is survived by her husband, Frank, and two daughters and a son.

Services were held in Los Angeles with burial in Forest Lawn Cemetery.

MR. LOUIS CRANE

Louis Crane, 50 years old of 381 Second Ave. in Antioch passed away at 7:15 p.m. on Monday, July 13 at Victory Memorial Hospital in Waukegan after a brief illness.

He was born Oct. 17, 1919 in Rockford, Ill., and moved to Antioch 5 years ago. He was a member of St. Peter's Church in Antioch.

Mr. Crane had worked as a fork lift operator in the shipping department of Quaker Stretcher Co. and part time for Fred Jach Prestegge Metals in Antioch.

He married Josephine Basile on Oct. 17, 1953 at Rockford.

Relatives who survive are his wife, Josephine (nee Basile) Crane, 2 sons Michael and Anthony Crane, both at home, three sisters, Mrs. Frances (Alden) Olson, Rockford, Katherine (Richard) Powers, Rockford, Mrs. Betty (H.) Skogen, South Beloit, Ill., two brothers, Joseph Crane, Roscoe, Ill., and William Crane, Rockford.

Funeral services will be held at 10 a.m. Thursday at St. Peter's Church in Antioch. Interment is in Calvary Cemetery at Rockford. Friends called at the Strang Funeral Home in Antioch after 7 p.m. Wednesday.

Smith: Rioters Are Potential Dictators

U. S. Senator Ralph Tyler Smith (R-Ill.) warned that if the rioters in our midst are not controlled they will achieve their goal of becoming our future dictators.

"They are unwilling to compete with their fellow men within the order and discipline of a lawful society," Smith told Fourth of July celebrants at Stockton's Memorial Park. "They seek to destroy that society in order to create their own society, but they usually offer nothing constructive—only disorder and violence."

"These are people who would like you to believe that patriotism is a dirty word—that liberty is something that they should be given on their own terms without earning it—that democracy is licensed permissiveness instead of a society based on the doctrine of the greatest good for the greatest number," Smith said.

The Senator declared that "the working man—rural and urban—black and white—affluent or of modest means—is fed up with supporting the destroyers. The forgotten man in our society is the great middle class which pays the bill—in taxes—for the antics of those who do not and will not try to make a real contribution."

"We are all fed up with seeing the products of our hands being abused and turned against us—just where does he stand?"

REPORT OF CONDITION OF STATE BANK OF ANTIOCH

of Antioch in the State of Illinois at the close of business on June 30th, 1970. Published in Response to Call of the Commissioner of Banks and Trust Companies of the State of Illinois.

ASSETS

My commission expires April 19, 1974. Sylvia Szymoniak
Notary Public

Taxpayers Ask IRS

Q I don't think the agent who examined my return was right in disallowing a lot of my deductions. Is there anyone else at IRS I can talk to about this?

A You may request a district conference to discuss the disputed deductions. The way to do this is described on the notice you received explaining the proposed adjustments in your tax.

The conference provides you with an independent review of the items in question since the person representing IRS at the conference is independent of the office that examined your return.

Q My boss stopped taking social security tax from my pay. Why?

A Employers are required to withhold social security taxes on the first \$7,800 in wages paid during the calendar year to each employee. In your case, that requirement has evidently been met.

Q My son is putting aside his earnings from a summer job to pay for college. Do I count these earnings when I figure his total support?

A The earnings are included for support purposes in the year they are spent for that purpose. If he spends the money this year then they have to be taken into account in computing total support when you file your 1970 return.

To meet the support test, you must provide over one-half the cost of providing your son's food, shelter, clothing, medical and dental care. Educational expenses are also included.

Q I'm selling my house and moving into a retirement community. Will I have to pay tax on the profit I made?

A Any gain on the sale of property is usually taxable. However, you can postpone the tax on the sale of a personal residence if another is bought within a year before or after the sale at a price equal to the "adjusted sales price" of the old house.

If you are 65 before the date of the sale, you may avoid paying tax on the profits from a home sale altogether. To do this, the house must have been owned and used as your principal residence for five of the past eight years and the "adjusted sales price" be \$20,000 or less. When the "adjusted sales price" is over \$20,000 only a portion of the profit will be taxable.

Q Has there been any rate change on the highway use tax?

A No. It is still \$3 per 1000 pounds or fraction thereof for trucks with a taxable gross weight of over 26,000 pounds.

Q Is there any tax difference between alimony and child support payments?

A Yes, alimony payments are taxable to the person who receives them and deductible by those who pay them. Child payments are neither taxable nor deductible, but should be counted in total support for determining who is entitled to claim the child as a dependent.

Q Some of my friends seem to get audited every year while others never do. How do you decide which ones get a closer look?

A First, all returns are checked for mathematical accuracy during the processing operations. Mistakes are picked up and corrected here that result in a different tax liability and the amount of the refund is adjusted or a bill for additional tax issued. Some of these mistakes are in the taxpayer's favor while others are in the government's.

The returns with the highest scores are then examined by IRS employees.

Q My teenage daughter is helping out in my store this summer. Do I treat her just like any other employee for tax purposes?

A Since your daughter is under 21, you do not have to withhold social security or unemployment taxes from her wages. You will have to withhold federal income taxes, however, unless she meets a new rule on withholding added to the law last year.

It provides that if someone owed no tax the previous year and expects to owe no tax this year, then income tax withholding can be avoided in the current year.

If your daughter qualifies, have her file an exemption certificate with you, her employer. You can obtain the certificate, Form W-4E, from your local IRS office.

Q A taxpayer has to pay interest when he is late paying taxes. Does the government pay interest when it is late in issuing a refund?

A Yes. However, the IRS has 45 days from the deadline for filing a tax return or the date a return is filed, if later, to issue a refund. If it takes longer than that, interest at the rate of 6 per cent a year is added to the refund.

ment pays on delayed refunds is at the same rate as taxpayers are charged when they are late in paying. Taxpayers who delay paying taxes may have to pay a penalty in addition to interest.

Q Is it true there are new restrictions when it comes to depreciating farm buildings?

A Yes, last year's tax reform act changed the use of accelerated depreciation methods for real property acquired after July 24, 1969. On new farm buildings, you cannot use a rate faster than the 150 percent declining balance method. Previously, you could use a 200 per cent declining balance or sum of the year-digits method in addition to the straight line depreciation.

Accelerated depreciation methods may not be used on farm buildings that are not new.

Public Aid Increases In February

Illinois public aid rolls reached 599,483 in February, an increase of 6990 over the previous month and 66,497 higher than a year ago.

Public Aid Director Harold O. Swank said that a decrease of 2051 persons in general assistance was more than offset by increases in all other programs. The net monthly gain of 6990 reflects a decrease of 1069 persons in 35 counties, an increase of 9079 in 64 counties, and no change in two counties. Cook County accounted for 51 per cent of the total state increase.

Total February expenditures were \$50,425,265, an increase of \$2,186,928 over January and an increase of \$3,132,057 over February 1969. Current expenditures include \$437,079 in payments for foster care, aid to the medically indigent in Chicago and Cicero, and burials.

The February caseload included 455,241 persons on assistance to the aged, blind or disabled and aid to dependent children receiving money grants and eligible for medical care; 60,310 eligible for medical assistance only, and 83,932 on general assistance. Respective figures for January were 445,720, 60,790 and 85,983; and for February 1969, 400,206, 58,644 and 74,136.

The 60,310 persons eligible for medical assistance only, down 480 from January, are included in the trends of the individual programs which follow. The February cost was \$6,890,800.

The aid to dependent children program served 399,053 persons in February, an increase of 8528 over January and 49,683 higher than in February 1969. Of the total ADC increase in February, Cook County accounted for 38.1 per cent, or 3248 persons. Expenditures were \$28,960,990 in February, an average of \$67.92 per person; \$25,738,765 in January, and \$21,129,959 in February 1969.

Old age assistance helped 65,217 persons, 24 more than in January and 1736 more than a year ago. Expenditures in February were \$7,839,349, an average of \$120.20 per person; \$7,797,255 in January, and \$8,065,687 in February 1969.

Blind assistance numbered 1974 persons in February, up six from the previous month but 25 less than a year ago. Expenditures were \$266,110 in February, an average of \$134.81 per person; \$289,111 in January, and \$235,991 a year ago.

The disability assistance program in February rose by 483 persons to 49,307. The February 1969 total was 44,010. Expenditures in February were \$8,801,734, an average of \$178.51 per person; \$8,340,827 in January, and \$7,313,960 in February 1969.

General assistance—all units—was received by 83,932 persons, down 2051 from January but 9796 more than in February 1969. Expenditures in February were \$6,120,003, an average of \$72.92 per person; \$5,764,766 the previous month, and \$4,965,783 a year ago.

THE OLIVE

A fellow came into a bar and ordered a martini. Before drinking it, he removed the olive and carefully put it in a small glass jar. Then he ordered another martini and did the same thing. After an hour when he was full of martinis and the jar full of olives, he staggered out.

"Well," said a customer, "I never saw anything as peculiar as that!"

"What's so peculiar about it?" said the bartender. "His wife sent him out for a jar of olives."

Driving is just like baseball. It's the number of times you get home safely that really counts.

—Pencilman, Ill. News.

Answers Of Interest To Servicemen

Q I returned from Vietnam recently, and was separated from active duty after serving 21 months. As I plan to apply to the VA for educational assistance to attend college, could you tell me how many months of entitlement I will have?

A You will have 36 calendar months of entitlement. Any veteran with any other than dishonorable discharge who has served at least 18 months on active duty is entitled to the maximum entitlement.

Q I am a World War II veteran with service-connected 20 per cent disability. The VA doctor who examined me recently said I must be hospitalized for this condition for about six weeks. I have no disability income insurance, and my employer does not have a sick plan. What can I do to provide for my family while I am hospitalized?

A Any veteran who is hospitalized by VA for a service-connected condition for 21 days or more is automatically rated 100 per

WORKER PROTECTION

Most American workers today are covered by workmen's compensation insurance. Employers in 1968 paid \$2.875 billion in premiums for this protection, designed to provide for the cost of medical care and weekly payments to injured employees or to dependents of persons killed in work-connected accidents.

cent disabled, and receives compensation at that rate from date of his admission. In your case, you should make sure that proof of your marriage and birth certificates for your children are in your VA records.

Q I am a World War II veteran, and a widower. I am planning my insurance estate, and have heard that some type of death pension is payable by the VA to my children when I die. Does this pension depend on the child's income?

A Yes. It does if at the time of your death you leave a minor child or one who has not yet attained age 23 and is attending school, the child quite possibly could be entitled to death pension benefits if income limitations are not exceeded. You should arrange for some responsible adult relative to contact the VA after your death.

Food Stamp Program To 319,000

Nearly 319,000 persons in all 102 Illinois counties received food assistance through the U.S. Department of Agriculture's Food Stamp Program during April, according to Dennis M. Doyle, Midwest regional director of Food and Nutrition Service.

The total included 285,737 on public aid and 33,263 other low-income persons.

During April Illinois participants received nearly \$7.6 million worth of food coupons of which around \$3.5 million were bonus coupons. This was a bonus average of \$10.92 per person.

In 612 Midwest projects, around 1.3 million persons were in the program during April. Total value of coupons was over \$31 million of which 53 per cent was in bonus coupons. The regional bonus average was \$12.42 per person.

By participating in the Food Stamp Program, low-income families can buy more food by exchanging the amount of money they normally spend on food for coupons worth more than they

THE TAME BLUE TONDER

When it comes to providing tender loving care for a family automobile, you may be the most fastidious of men. But are you willing to:

—Hire three, full-time mechanics to keep it in tip-top running condition?

—Check out its entire performance each time you pull out of the driveway?

—Replace all tires after every 500 miles of use?

—Disassemble almost the entire engine, change the brake linings and take the transmission completely apart every 10,000 miles? Or install a completely new engine every 25,000 miles?

This is the kind of precise attention America's commercial airlines devote to their modern airliners. It is all very expensive and time-consuming but it tells some of the story of why we have paid.

Recipients spend coupons just like cash, at authorized retail food stores, for any domestic food. They cannot purchase items like household cleansers, tobacco or liquor with the coupons.

Doyle urges families not getting enough food to look into the program by contacting the local welfare office.

one of the world's best airline safety records.

Preliminary figures released for 1969 show that fatal accidents on commercial airliners in the U.S. have now been reduced to .003 per million aircraft miles flown. This means that when you board an airliner you have a better than 99,998 per cent probability of completing your flight safely. The odds are about seven times less favorable when you step into your automobile. (*Copyright 1970, Nation's Business—The Chamber of Commerce of the United States)

OF COURSE—HOW ELSE?

The first grade students had found a stray cat, and the teacher finally agreed to allow them to keep it for a while. After a minute, one small boy asked the teacher if it was a boy cat or a girl cat. The teacher said she didn't know.

"I know how we can find out," piped another youngster.

"All right, then," sighed the teacher, resigning herself to the inevitable. "How can we find out?"

"We can vote," the youngster announced.

It has been said that you can't fool all of the people all the time, but that was before we had clover-leaves on expressways.

THE ANTIOCH NEWS—8
THURSDAY, JULY 16, 1970

JUST ARRIVED?

We've no red carpet to roll out; no brass band to serenade you. But we can help you with names and locations of schools, lists of community facilities, shopping information and all the other things you'll want to know about your new home town. A Welcome Wagon hostess will visit at your convenience to provide all this and gifts as well. It's all yours—free—for a telephone call to Welcome Wagon at

Welcome Wagon

Did you ever hear of returning a Savings Bond because you got too many?

Even the seventh, or eighth, or ninth Savings Bond will be as welcome as the first. Which is one reason why they make a pretty nice gift.

Especially for a wedding. And in a few years, a young couple will open up that bottom drawer to cash in their wedding Bonds. Matured and filled with interest.

It'll be like found money. What's more, in a few years there might be a couple of kids, a few more expenses.

Who ever heard of some found money not being put to good use?

So you see, even if your Bond is the umpteenth one they get, they can use it.

A lot better than three chafing dishes.

If they're lost, stolen, or destroyed, we replace 'em.

Take stock in America
